

# **Privacy Statement**

## **Our Privacy & Security Statement**

We live in a very litigious society these days. Adiant Mobile has developed the following policies to protect us and our valued customers from fraudulent transactions.

At Adiant Mobile we are committed to protecting your privacy. We only use the information we collect about you to provide to authorized dealers and distributors and to provide a better experience. We have a vast amount experience in online business as well as transactional security to provide you with an easy to use, fully secure website experience. We will NEVER sell, rent or give your personal information away.

## **Collecting Information**

Your contact information is used to get in touch with the visitor when necessary. The information collected will be kept confidential and used to support any information pertaining to your experience working with us.

Here is a list of the information we collect at Adiant Mobile, as well as how we use it:

- When you fill out our contact us form we need to know your name, e-mail address, shipping address, billing address, phone number. We will never ask for credit card or social security or private information.
- At Adiant Mobile we use the latest analytical tools and secure technology platforms to safeguard your data. We constantly monitor customer traffic patterns in an effort to help us improve the site's functionality.

## **Security (Protecting Customer Information)**

This site has stringent security measures in place to protect the loss, misuse and alteration of the information under our control.

We use state-of-the-art technology to protect and secure your private information from unauthorized third parties. Adiant Mobile uses industry standard Secure Socket Layer (SSL) encryption technology to protect your data. SSL encrypts all your personal information, name and address as it is transmitted over the Internet. Our

secure server is also protected by firewall technology to prevent unauthorized access to any information that we store.

Adiant Mobile guarantees that protecting our customers' information is of utmost concern to us. Every employee servicing Adiant Mobile customers is made aware of and is expected to comply with all of our Privacy & Security Policies.

#### **Disclosing Information**

Adiant Mobile respects your privacy. Adiant Mobile does not sell, trade or rent your personal information. Adiant Mobile may release account information when we believe, in good faith, that such release is reasonably necessary to (i) comply with law, (ii) enforce or apply the terms of any of our user agreements or (iii) protect the rights, property or safety of Adiant Mobile, our users or others.
